**Reflection**

One night four college students were out partying late and didn't study for the test which was  
 scheduled for the next day. In the morning, they thought of a plan. They made themselves look  
 dirty with grease and dirt. Then they went to the Dean and said they had gone out to a wedding  
 last night and on their way back the tyre of their car had burst and they had to push the car all the  
 way back. So they were in no condition to take the test. The Dean thought for a minute and then  
 said that they could sit the "re-test" after 3 days. They thanked him profusely, daring to believe  
 their good luck. On the third day, they appeared before the Dean. The Dean said that, as this was  
 a Special Condition Test, all four were requested to sit in separate classrooms for the test. They  
 all agreed as they had prepared well in the last 3 days.  
 The students were shocked when they saw the paper ... the test consisted of only 2 questions with  
 a total of 100 points.

Question 1) Your name.....(1point).

Question 2) Which tyre burst?.....(99 points).

Options - (a) Front Left (b) Front Right (c) Back Left (d) Back Right.

**Moral**

Be truthful ... Or else you'll too might learn our lesson the hard way!!!

"I am the Way, the TRUTH and the Life ... No one can come to the Father except through Me."
