Cemetery Sunday

It was agreed by the Council of Priests that, considering the present circumstances, it is not advisable to hold the normal Cemetery Sunday celebrations this year. Complying with social distancing requirements along with the gathering of large numbers of people would present major difficulties. Priests were instead advised to perform cemetery blessings in private and likewise to offer Mass in private - or by Webcam or on social media - for the souls of all people interred in the graveyards of their respective parishes.

Summary of Framework Document from the Bishops Conference:

Establish a Covid-19 Support Team of parishioners to organise preparations and to oversee their implementation and verification. (the verification process may be assisted at Pastoral Area and/or Diocesan level)

Secure an appropriate supply of signage, cleaning/sanitising materials and accessories and items necessary for protection.

Priests/ministers should wear a face-covering while distributing Communion.

Have we clearly indicated the areas in the church where people can sit (e.g. by closing off rows of seats, allowing one person to sit at the end of each free row while permitting those from the same household to sit together, etc.)?

Have we stewards available, as necessary and appropriate, to assist people entering or leaving the church and to direct them to available seats?

Have we provided appropriate marking to help people to maintain physical distance, particularly when approaching for Holy Communion?

Can doors be kept open when people are arriving and departing from Mass or other celebrations to minimise contact with door handles, etc. and to improve ventilation

What safe mechanism has been put in place for taking up church collections (e.g. secure and supervised boxes near the doors of the church)?

Parishes are recommended to have designated places for Readers and Extraordinary Ministers of Holy Communion.

Priests and Extraordinary Ministers of Holy Communion should visibly sanitise their hands both before and after the distribution of Communion.

7km for 7 days challenge The Casey Family along with friends and neighbours are fundraising for Longford Hospice in memory of Bernie. We have set a challenge for anyone who wishes to participate - to walk/run/cycle 7k for 7 days commencing on Monday 15th and finishing on Sunday 21st June at 3pm at the Bird Fountain in the Village. Michelle and Mairéad will be walking 100km over the 7 days but we ask participants to cover whatever distance is most comfortable for them. Follow us on Facebook for updates and details: <https://www.facebook.com/donate/282285012960034/> fundraiser_source=external_url and please post comments and pictures about your journey.
