Tidy Towns: The Annual collection takes place on **18th/19th August**. This is our 40th year in the Village. It all started with Fr. O'Rourke. Many people will remember the rusty fencing along each side of the road. Today it is a beautiful little village to which many have retired and younger people have returned to make it their home. It takes €6,000 each year to make the scheme function. Without this finance the F.A.S scheme will automatically finish too. Please do remember us.
